

**DP9 Foundation Golf Outing**

In January, 2004, our community lost a tremendous individual when Darrell Pollack passed away. As a tribute to Darrell's memory, and to continue his generosity of spirit, the Darrell Pollack DP9 Foundation was established to provide support for children who have lost a parent. Our goal is to give educational and recreational scholarships, counseling services, medical grants, and other support to children coping with such a tragedy.

The Foundation's fundraising accomplishments since inception have been tremendous. Past golf outings have been so warmly-received and well-attended that our fourth outing is planned for Wednesday, July 29th. Our Arlington Race Track Event, held last May, was attended by over 200 people and was completely underwritten by corporate generosity. We also continue to produce full-color newsletters which document the Foundation's activities.

These fundraisers have enabled the DP9 Foundation to fulfill its mission to the fullest. Over the past 5 years, the DP9 Foundation has partnered with Willow House by co-sponsoring multiple family retreats for those coping with the loss of a family member. We have also provided funding for programming and counseling for children through the Midwest Palliative & Hospice CareCenter's Families with Children program. We have also sent numerous local children who have suffered a loss to various camps and programs through Jewish Council for Youth Services (JCYS). The Foundation has also provided support to the Koby Mandell Foundation, which provides healing to children affected by acts of terrorism in Israel. We are also now in a position to provide support directly to individuals that fit in with our mission.

The DP9 Foundation is a 501(c)(3) organization. A portion of your entry fee is tax deductible.
